

Board Members Sworn In 2019

In the January Kane County School Board meeting, Brian Goulding and Dr. LoRal Linton were sworn in as members of the Kane County Board of Education by Kane County Clerk/Auditor Karla Johnson. Mr. Goulding and Dr. Linton represent their constituents in their individual voting districts very well and always vote for what is best for the students and the district. We welcome Mr. Goulding and Dr. Linton back to the board and look forward to working with them in the future.
