

Digital High School Parent Meeting

On Aug. 16th in the Kanab High School Auditorium from 7:00-8:00 pm, the district will be hosting a very informative meeting for parents and students to discuss concurrent enrollment (university courses offered in high school), digital high school classes, and Southwest Applied Technology College (SWATC) certificate pathways. Additionally, on Aug. 17, the district will present this information to parents and students at the Valley High Little Theater from 6:00 -7:00 pm. We recognize this time of year is extremely busy for everyone with many conflicts, but respectfully request your attendance at this very important meeting. I will personally be discussing the pathways available to our students relating to college and career readiness. We will be available to answer questions after the meeting. I look forward to meeting with you to discuss the many academic resources available to your students.

Ben Dalton

Superintendent

Kane School District
