Where excellent instruction empowers
Immeasurable opportunities . . .

Dear Parent or Guardian,

This past school year, in accordance with the Every Student Succeeds Act (ESSA) and Title III Regulations, English Language (EL) students in grades kindergarten through twelfth grade participated in the administration of the ACCESS 2.0 for ELLs® language proficiency test. ACCESS 2.0 provides a standardized measurement of academic language proficiency for ELL students throughout the state of Utah. With this information, we will be able to monitor individual EL student progress on an annual basis.

Enclosed you will find your child's results on ACCESS 2.0. The Parent/Guardian Report provides information about your child's **English Language Proficiency Level**. This information is for you to review and keep.

If you have any questions regarding this test or the information that is being sent to you about how your child performed on this test, please contact me, your child's ELL teacher, or the school principal.

Sincerely,

Tamra Painter, 435 644-5821
