

KHS Career Fair

On Thursday April 4th, Kanab High School will be hosting a Career Fair with approximately 100 college representatives, business owners, and community partner members from the Chamber of Commerce to help answer student questions and help them plan for College and Career opportunities. Three other high schools will be attending the job fair to participate in structured Round Robin events including expert presenters in the fields of education, law, commerce, business, government, entrepreneurship, and technical fields. Military recruiters will also be present to answer questions. Local businesses will be recruiting students and community members for summer employment. The event will begin at 12:10 p.m. and go until 3:00 p.m. for students. The Career Fair will be open to the public from 3:00 p.m. to 5:30 p.m. As a district, we strongly recommend for all of our students to participate in the Career Fair as it will provide them with critical information for their future college and career plans.
