

## **Student Honors Banquet 2019**

Kane County School District will be recognizing students across the district in the third annual academic Honors Banquet on May 20<sup>th</sup> at Kanab Middle School. Students who have earned a 3.75 (or above) cumulative GPA in grades 6-12 should have received a personal invitation to this event. This year the keynote speaker will be KHS alumnus Michael Stewart. The district will provide the dinner as we celebrate the academic achievements of our students. Sterling Scholar students from KHS and VHS will also be recognized for their individual school representation at the regional competition. The Honors Banquet will begin at 4:30 p.m. and will be streamed live at [socen.media/live](http://socen.media/live). We are looking forward to recognizing our top academic students in the district.

Ben Dalton  
Superintendent  
Kane School District
