

LCSW and SRO

Kane School District has been actively working toward providing additional student support services in both school security and behavioral health. The district was recently awarded a three year grant from the Utah State Board of Education to employ a full time Licensed Clinical Social Worker (LCSW) to provide behavioral health services for Kanab and Valley Elementary schools. Cynthia Schroder has recently been hired to work as full time social worker between the two schools. Additionally, the district has partnered with the Kane County Sheriff's Office to employ a full time School Resource Officer (SRO) for the schools in the district. We would like to welcome officer Kelly Lamb to the SRO position and look forward to working with him in maintaining school safety. Officer Lamb is certified as a school resource officer. We would like to welcome both of these professionals into our schools and appreciate the skill set and expertise they bring to the district.

Ben Dalton
Superintendent
Kane School District
