

Pam Aziz appointed interim Board Member

With the recent passing away of Kane School Board member Lex Chamberlain, Kane School District began the process to appoint an interim board member to fill the vacancy. On June 30th and July 7th advertisements for the vacant board position were advertised in the local newspaper and on the district web page. At the conclusion of the advertisement period, the district had received three applications from individuals who currently reside in the same voting precinct as Mr. Chamberlain. During the July 19th regular school board meeting, the Kane School Board interviewed the three candidates during their public meeting. After much consideration, the Board appointed Pam Aziz to fill the vacancy until January 2, 2017, at which point the newly elected school board member will fill the vacancy. As many of you know, Mrs. Aziz has been involved in the development of preschool programs, worked as a special education teacher, and was the principal at Kanab Elementary for a number of years. We welcome Pam to the Kane County School Board and look forward to working with her in this capacity.
