

## **Procurement:** ***Procurement of Professional Services***

### **Definitions—**

“Professional service” means labor, effort, or work that requires specialized knowledge, expertise, and discretion, including labor, effort, or work in the field of:

- accounting;
- administrative law judge service;
- architecture;
- construction design and management;
- engineering;
- financial services;
- information technology;
- the law;
- medicine;
- psychiatry; or
- underwriting.

[Utah Code § 63G-6a-103\(59\) \(2021\)](#)

### **Procurement of Professional Services—**

The District may use the process set forth in Policy CCF (relating to procurement of design professional services) to obtain other types of professional services for the District.

[Utah Code § 63G-6a-1502\(3\) \(2020\)](#)
