### Definitions—

**General Policy—**

All funds, property, or goods donated or collected through fundraisers become public funds and the property of the District and should be used for the purpose for which they were donated and in accordance with State and District policies. Donations, whether in-kind, cash, or otherwise, shall be complete transfers of ownership, rights, privileges, and/or title in or to the donated goods or services and become exclusive property of the District upon delivery. The District and individual schools are ultimately responsible for the expenditure and allocation of all monies collected and expended through student, school organized fundraising.

The District recognizes that fundraising efforts, donations, gifts, sponsorships, and public support vary among schools. The District is committed to appropriate distribution of unrestricted funds and the management of donations and gifts to ensure that the educational opportunities for all students are equal and fair. If the District accepts a donation, it shall prevent potential inequities in schools within the District in distributing the donation.

The District is committed to principles of gender equity and compliance with Title IX guidance. The District commits to use all facilities, unrestricted donations and gifts, and other available funds in harmony with these principles. The District reserves the right to decline or restrict donations, gifts, and fundraising proceeds, including those that might result in gender inequity or a violation of Title IX. The benefits derived from donations and gifts should be equitable for all students, comply with Title IX, and be in harmony with Article X of the Utah Constitution.

*Utah Admin. Rules R277-113-10(2)(a) (November 10, 2020)*

The collection of money or assets associated with fundraisers for school-sponsored activities, donations, gifts or sponsorships will comply with the District cash receipting policies. The expenditure of any public funds associated with fundraisers for school-sponsored activities, donations, gifts, or sponsorships will comply with the District cash disbursement policies

Fundraising is permitted within the District to allow the District and schools to raise additional funds to supplement events or activities which are provided, sponsored, or supported by a school, as specified in this policy and in accordance with State law and regulations. The District may through its Foundation raise money to offset the cost to the District attributed to fee waivers.

*Utah Admin. Rules R277-407-7 (November 10, 2020)*

The District and individual schools will comply with all applicable state and federal laws; the State procurement code (Utah Code 63G-6a); State Board of Education rules, including construction and improvements; IRS Publication 526 “Charitable Contributions”; and other applicable IRS regulations.

Fund raising activities should not be approved which involve high-pressure sales tactics, yield profits in excess of usual wholesale margins to suppliers of goods

sold, would expose students and other participants in the fund-raising activity to risk of personal injury, would expose the school or District to risk of financial loss if the fund raising activity is not successful, or would violate law or district policies.

District employees may not direct operating expenditures to outside funding sources to avoid District procurement rules (operating expenditures include equipment, uniforms, salaries or stipends, improvements or maintenance for facilities, etc.).

District employees must comply with District procurement policies and procedures, including complying with obtaining competitive quotes and avoiding bid splitting.

Donations and gifts should be accounted for at an individual contribution level.

Donations, gifts, and sponsorships shall be directed to the District, District program(s), school, or school program(s). Donations, gifts, and sponsorships shall not be directed at specific District employees, individual students, vendors, or brand name goods or services.

Donated funds shall not compensate public employees, directly or indirectly.

If donations or gifts are offered in exchange for advertising or other services, an objective valuation will be performed and a charitable receipt will be issued by the foundation or the business administrator.

Donations will not be solicited or accepted in lieu of a fee from a student or parent unless the activity, class, or program for which the donation is solicited will otherwise (without the donation) be fully funded by the District and receipt of the donation will not affect participation by an individual student.

*Utah Admin. Rules R277-407-7(1)(a) (November 10, 2020)*

Donations or gifts shall not be accepted that advertise or depict products that are prohibited by law for sale or use by minors, such as alcohol, tobacco, or other substances that are known to endanger the health and well-being of students; or, in the opinion of the District, may cause a substantial disruption to the education environment.

As required by state law, donations will only be accepted where there is no expectation or promise, expressed or implied, of remuneration or any undue influence or special consideration. District employees are not permitted to accept personal payment or gratuities in any form from a vendor or potential vendor as a precondition for purchase of any product or service.

Donations and gifts over \$250 will be provided with an acknowledgment of the contribution from the District for IRS purposes. The acknowledgment will be in the form of a written disclosure in accordance with IRS regulations issued by the foundation or business administrator. These receipts will be generated from the information provided on the "Donations, Gifts, and Sponsorships" form.

Gifts to specific school programs of equipment, such as computers and audio-visual equipment, must be approved in advance to assure that the District is not compelled by a gift to undertake expenses in support of the donated equipment or make other management decisions in order to use the gift, such as allocating space to donated equipment, that the District deems to be unwise.

*Utah Admin. Rules R277-113-5(2)(e), (f) (November 10, 2020)*

The District reserves the right to prohibit, restrict or limit any fundraising activities associated with the District or individual schools. Faculty and student participation in fundraisers is typically voluntary. However, employees may be directed to supervise specific activities as an employment assignment.

Participation in fundraising shall not affect a student’s grade. Students shall not be required to participate in fundraising activities as a condition of belonging to a team, club or group, nor shall a student’s fundraising effort affect his or her participation time or standing on any team, club or group. A request for approval of a required group fundraiser shall describe the nature of the fundraiser and the estimated required participation time for the student and/or parent. Parents and students shall be notified of required group fundraising and how and when the details about the fundraising will be provided to parents and students.

*Utah Admin. Rules R277-407-10(2)(d), (f), (3) (November 10, 2020)*

Competitive enticements for participation in fundraisers are discouraged. If prizes or rewards are offered by a selected fundraising vendor, they should only be awarded to groups, classes or students, and must be disclosed and approved prior to the fundraiser. Rewards, prizes, commissions, or other direct or indirect compensation shall not be received by any teacher, activity, club or group director, or any other District employee or volunteer.

Schools may not impose a sales quota (or the like) as part of fundraising efforts, and students or parents shall not be required to pay for any unsold items or pay for goals not met.

Door-to-door sales are prohibited for all students in elementary and middle schools. High school students may participate in one door-to-door campaign per sport, club, or group per year. Suitable procedures must be used by the schools, administrators and supervising faculty to safeguard students and funds collected. Procedures must be clearly communicated to parents.

Approval may be denied for fundraising activities that would expose the school or District to risk of financial loss or liability if the activity is not successful.

Fundraising activities shall be age appropriate and shall maintain the highest standards of ethical responsibility and integrity.

Fundraising revenues should be accounted for at an individual contribution level or participation level. Participation logs should be retained and turned into the accounting office to be included with the deposit detail.

Employees who approve, manage, or oversee fundraising activities are required to disclose if they have a financial or controlling interest or access to bank accounts in a fundraising organization or company.

Records of all fundraising efforts shall be open to the parents, students and donors, including accurate reporting on participation levels and financial outcomes. This policy does not require the release of students' personally identifiable information protected by FERPA.
