Filing a Complaint—

Complaints should be submitted in writing using the attached form. Complainants should also submit any evidence that supports the complaint. Essential information includes specifics on “who, what, where, when” as well as any other details that may be important such as information on other witnesses, documents, and pertinent evidence. Due to limited resources the Board of Education is unable to accept complaints that are not supported by evidence or provide a means for us to investigate the problem further. At a minimum, please use the form as a guide to ensure the necessary information is provided. Submit complaints via the following methods:

See KCSD webpage for link to USBE Internal audit <https://kanek12.org/>

US Mail: [hotline mailing address]

Complainants may call the hotline at 801-538-7813 for more information.

Processing of Hotline Complaints—

1. After receipt of the complaint, the USBE Internal Audit will review the allegation and any evidence provided by the complainant. The list below represents some of the factors that are considered during the screening and prioritization process.
 - a. Does the complaint involve actions by a person subject to the Board of Education’s authority?
 - b. Does the complaint pertain to improper governmental activities? Disagreements with administration decisions or actions taken by Board members that are within the law will not be investigated.
 - c. Has the complainant taken appropriate steps to resolve the issue with the District? If the District is not responsive, the concern relates to District

administration, or the complainant desires anonymity, consideration will be increased.

- d. What is the timing and frequency of alleged improper activity? Allegations of improper activities that are recent and/or on-going may receive a higher priority.
 - e. Should the allegation be investigated by another entity? Are there other agencies that have oversight of the complaint? Is a member of the Board of Education or the audit committee being accused?
 - f. Can the complaint be efficiently and effectively investigated? Overly broad or vague complaints or complaints where evidence is unavailable may be declined or receive a low priority.
2. The [USBE auditor] communicates to the Audit Committee:
 - a. The allegation of the complaint
 - b. Any facts supporting or refuting the complaint
 - c. A recommendation based upon preliminary inquiry
 3. The Audit Committee decides the appropriate next action (if a member of the Audit Committee is the subject of the complaint they may not be included in this process):
 - a. Discontinue the investigation
 - b. Continue with the investigation
 - c. Refer the investigation to another agency
 4. If the investigation proceeds, the Audit Committee sets the following:
 - a. Time and resource budget
 - b. Scope of the audit
 5. [USBE auditor] completes the audit
 6. USBE auditor] creates a report outlining the work performed and conclusions
 7. [USBE auditor] provides the report to the Audit Committee
 8. The Audit Committee reports investigation results to the Board of Education (if a separate audit committee exists).
 9. The Board of Education addresses any findings noted in the report

Whistleblower Protection—

Utah Code § 67-21-3 prohibits public employers (such as the District) from taking retaliatory action against their employees for reporting government waste or violations of law in good faith, to the appropriate authorities. A District employee is presumed to have communicated in good faith if the employee has given written notice or otherwise formally communicated the conduct to the Board of Education, a

member of the Board of Education, the Superintendent, or to a government official with authority to audit the District.
