Establishing Concurrent Enrollment Courses—

The District and the institution of higher education must (a) ensure that the course instructor is an eligible instructor, (b) establish qualifying academic criteria for enrollment in the course, (c) ensure that students enrolling are eligible students, and (d) coordinate advising of the eligible students.

In establishing student eligibility for a concurrent enrollment course, the requirements shall be sufficiently selective to predict a successful experience and satisfy the restrictions set out in Utah State Board of Education rules. not respond to the District's proposal within 30 days, uses instructional materials that are sensitive materials or otherwise prohibited for use in K-12, or reaches enrollment capacity for the course and prohibits expanding the course with an eligible instructor, the District must then contract with another eligible institution to provide the course.
